

Paper flower for Mom!

You will need:

Any two different colourful paper A4 size (or simply draw the picture and color it yourself with different colours)

Pencil to draw the picture

Scissors (please ask an adult to assist, be mindful of safety)

Color pencils, crayons, felt tip pens

Glue stick

Instructions:

Fold both A4 papers in half to A5 size.

Draw the flower on the first paper or print the picture below.

Color your petals on the first flower. Write in the centre of the flower 'MY MOM IS' before you cut it.

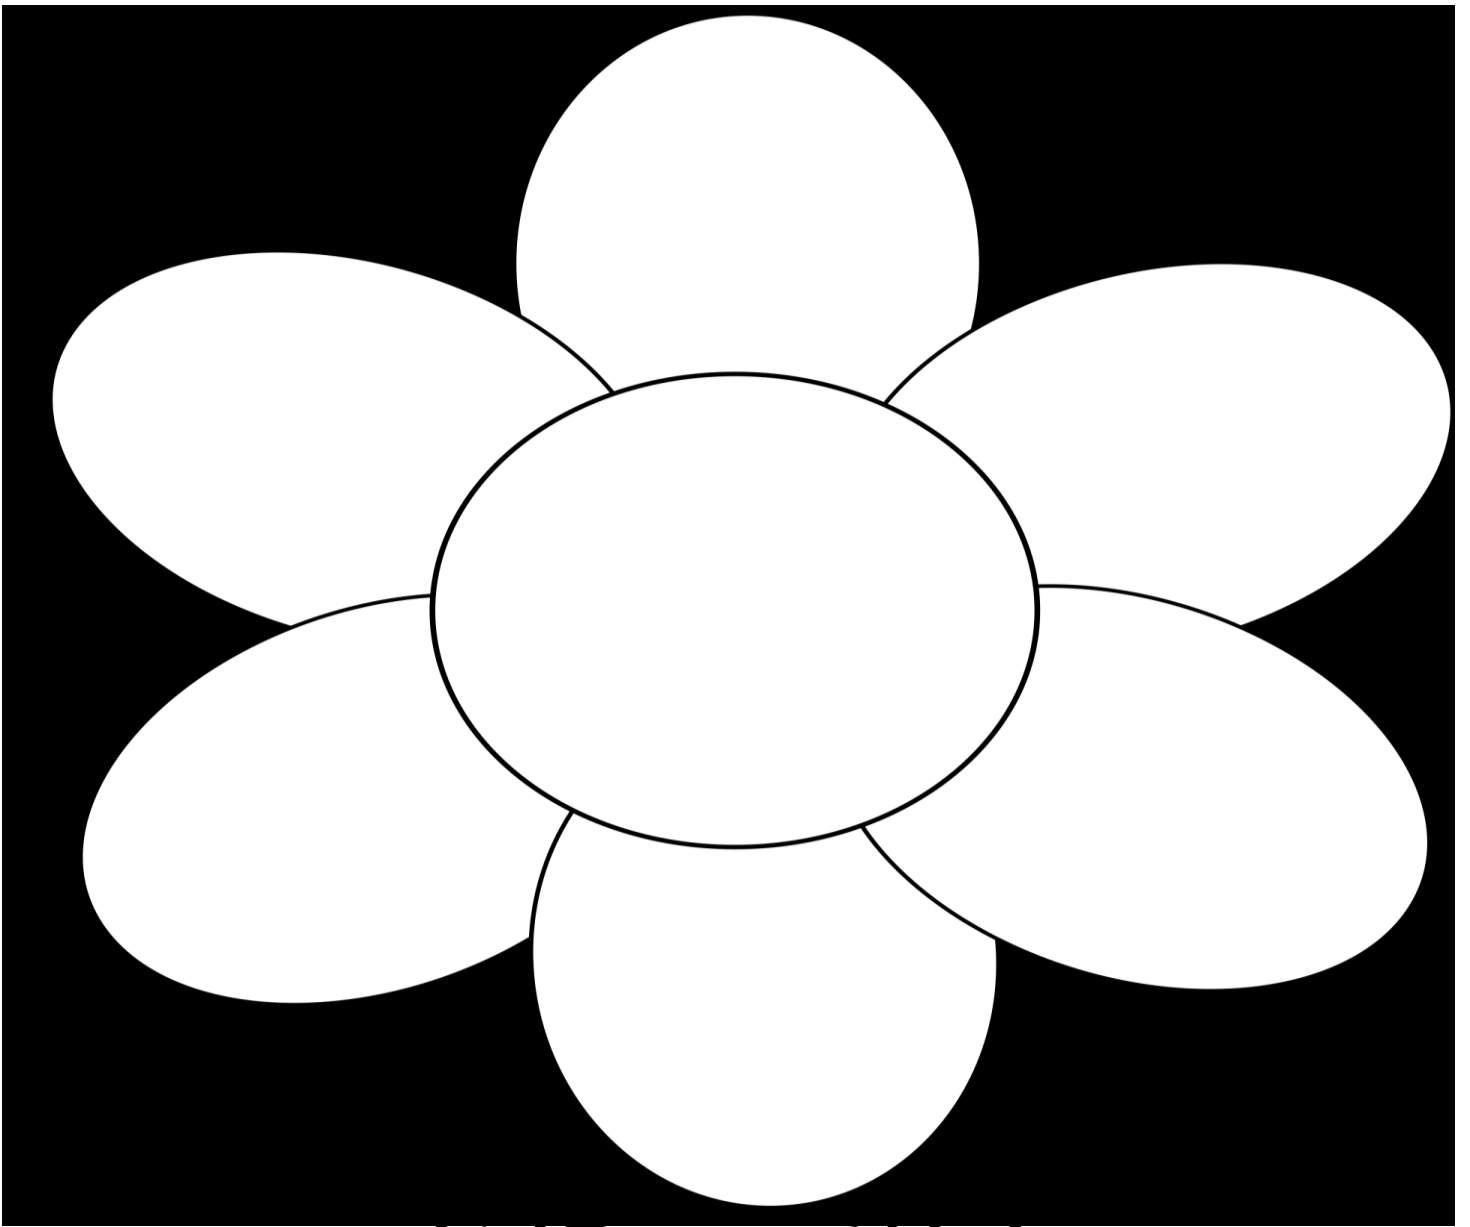

Slide the second folded paper inside the first folded paper before you cut it in order to have two same shaped flowers.

Cut the drawing to shape two flowers.

Write all the words on the second flower on each petal that describes Mom or simply draw hearts on each petal (you can be creative and fill the second flower with anything for your Mom.

Apply glue in the centre ONLY of your first flower so that Mom will still be able to read the second petals. Paste the two flowers together as the colourful picture below.

Hand the pretty flower to Mom on Mother's Day and enjoy the day with her.
