

## Poem for Mom

**Mom!**

**You are Special! That's a Fact!**

**Sometimes you're silly and sometimes you're weird,**

**Occasionally I feel embarrassed and want you  
disappeared.**

**Sometimes I yell and shout,**

**And every now and then you make me pout.**

**Often I say things to you which I don't mean,**

**And I might even act like a crazy drama Queen or Even  
King!**

**But no matter what happens or how I may act,**

**I LOVE YOU TO THE MOON and BACK!**
