Registration for Afterschool Care Center (Tagesheim) until 14:10

Dear Primary School Parents,

The need for childcare until 14:10 after the regular primary school lessons has increased. In order to be able to better coordinate and plan the needs, we ask for an updated registration at the Tagesheim:

1. Please submit the application informally: first and surname, class level, day(s) of supervision, period, signature
2. The registration is quarterly to give you and us planning flexibility. If necessary, please renew your registration at the beginning of the next quarter. Please let us know if there are any changes.
3. The pick-up times are under the current conditions: 13:30 and 14:10 at the north gate/water tower.
